# WHY CHOOSE A RIGID-INFLAT

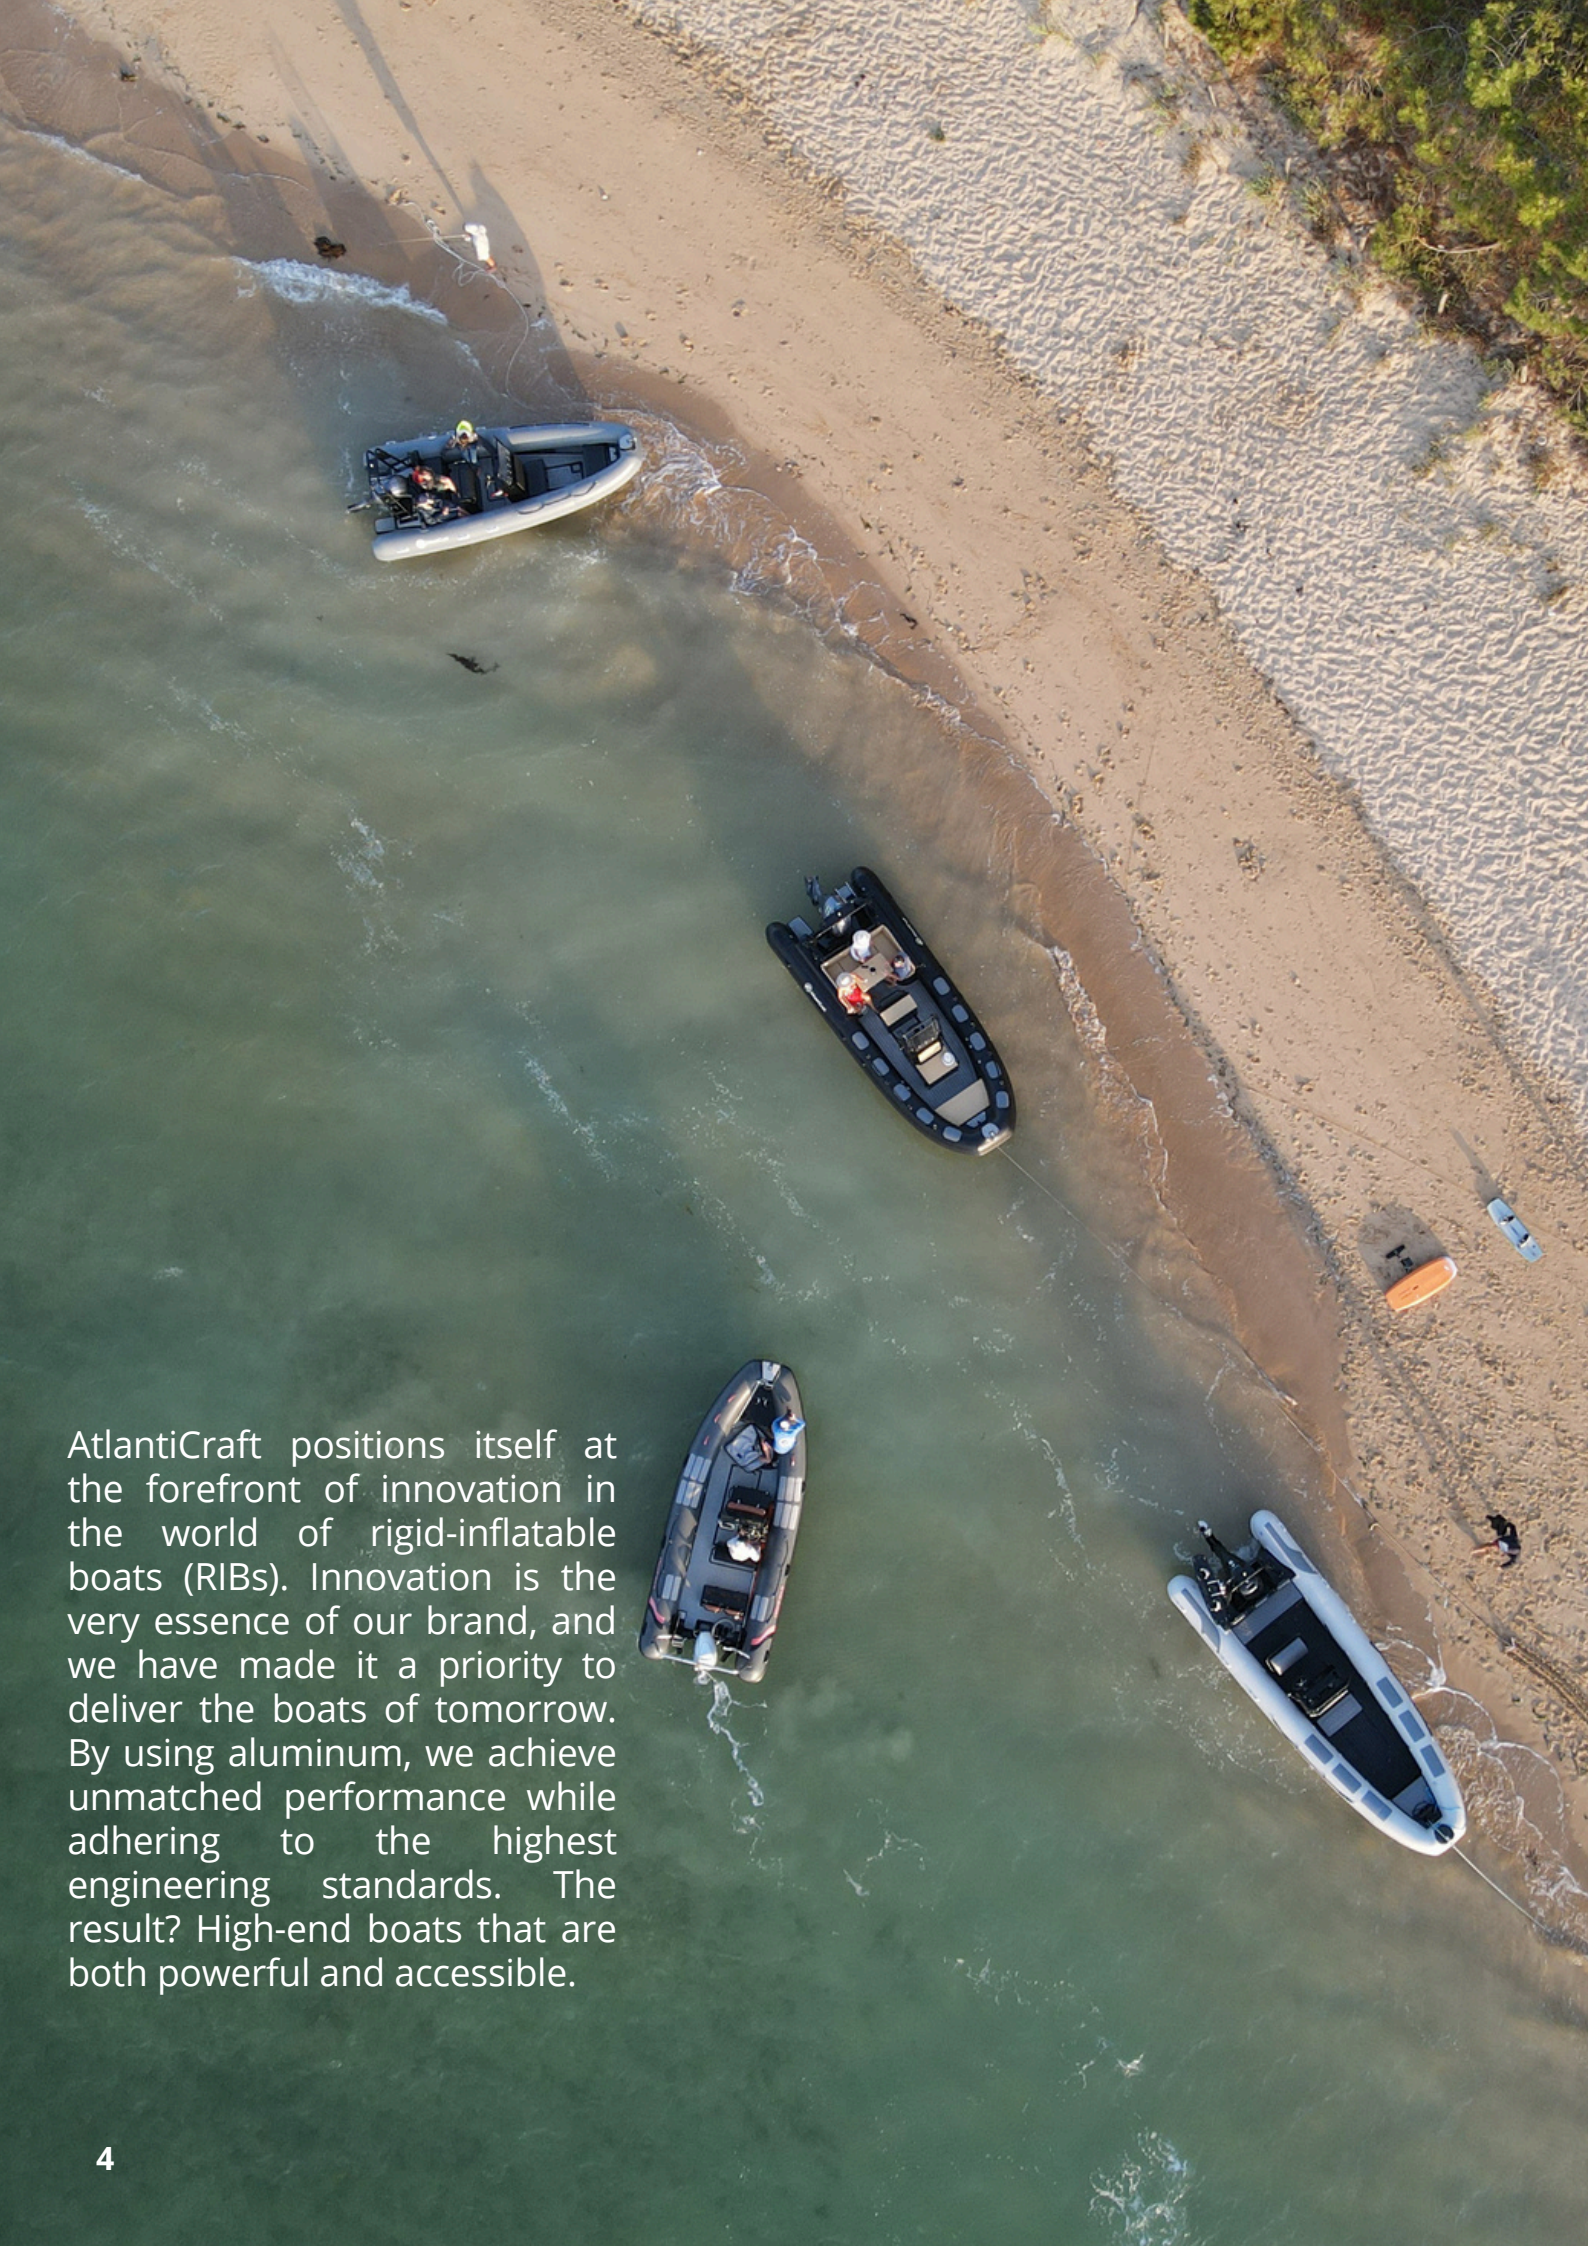

# ABLE BOAT ATLANTICRAFT ?

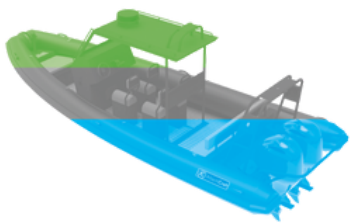

AtlantiCraft positions itself at the forefront of innovation in the world of rigid-inflatable boats (RIBs). Innovation is the very essence of our brand, and we have made it a priority to deliver the boats of tomorrow. By using aluminum, we achieve unmatched performance while adhering to the highest engineering standards. The result? High-end boats that are both powerful and accessible.

# Our Direct Sales System

To offer you boats of excellent quality at competitive prices, we have chosen to sell directly. This allows us to fully control the distribution chain of our products and the after-sales service.

## INNOVATION AND QUALITY : A PRIORITY FOR ATLANTICRAFT

AtlantiCraft is the first rigid-inflatable boat brand to fully control the distribution chain from design to delivery to the final customer. This allows us to ensure one of the best quality controls in the market. Today, AtlantiCraft is the only brand offering boats equipped with more durable and resilient aluminum consoles and seats. Additionally, aluminum is a material that can be infinitely recycled.

# EXCEPTIONAL SEAWORTHINESS

**Aluminum hull designed to deliver exceptional planing, maximizing performance while minimizing fuel consumption.**

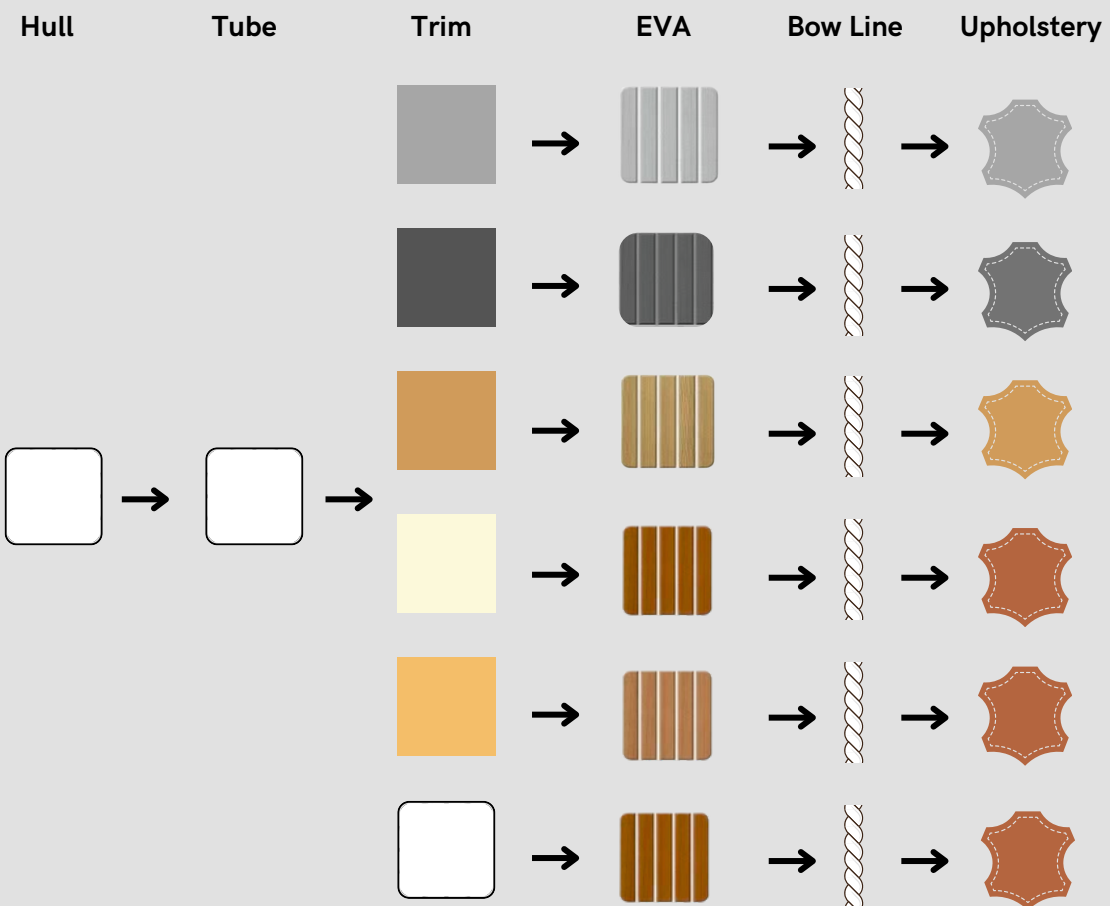

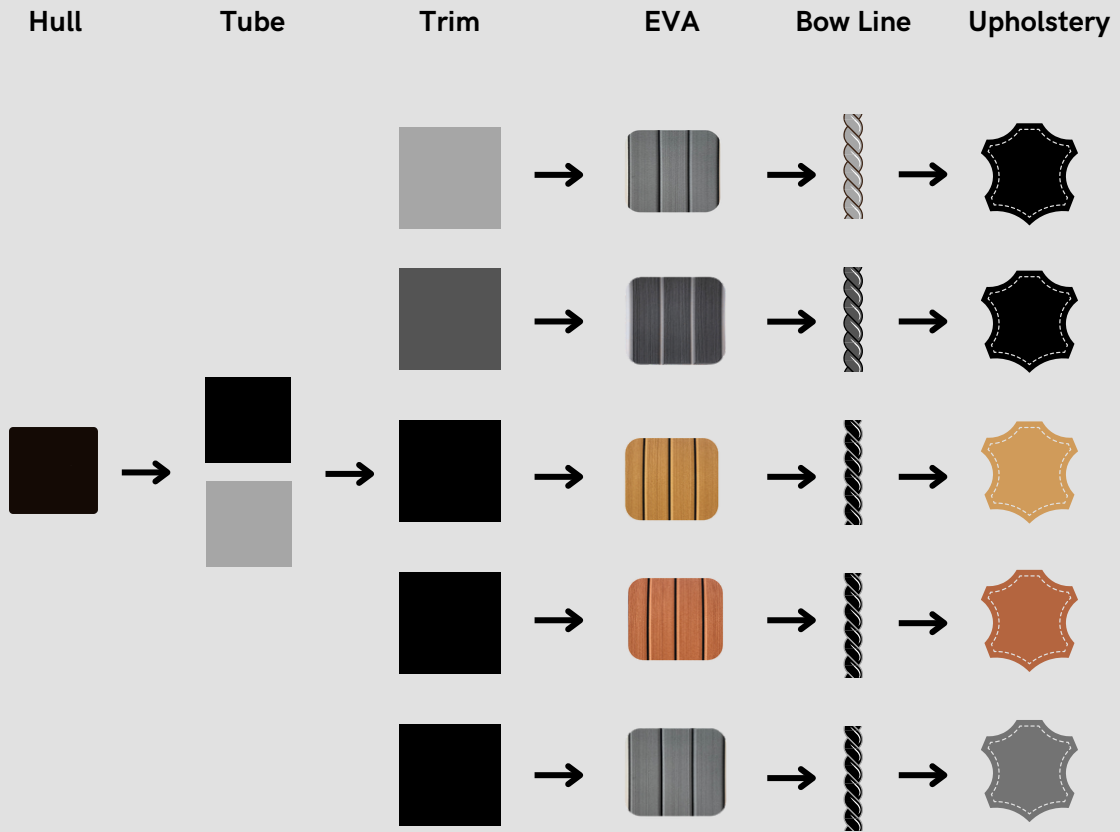

**WaveMaster hull ensuring  
unmatched seaworthiness,  
providing comfort and safety  
even in rough seas.**

# CONDOR

The CONDOR features the excellent V-shaped hull of the OCEAN. As comfortable and reassuring as its larger counterpart, the CONDOR stands out with its open deck layout, specifically designed to facilitate movement on board. Perfect for fishing, waterskiing, or underwater hunting, the CONDOR range offers rigid-inflatable boats suited to all kinds of activities.

These boats are both fun, efficient, and maneuverable. Their aluminum hull is particularly effective. Thanks to its lightweight construction, the CONDOR is easy to beach and transport on a trailer.
